

Max

Silver Nano-pure air for perfect climate control

NEW

- Economical cooling and heating (1kW per hour – 9000 BTU model)
- Silver Nano-coated filter and evaporator not only traps microscopic dust particles but also kills fungi and removes unpleasant odours
- Quiet operation
- Samsung's Good Sleep II feature automatically adjusts temperature and humidity to ensure a comfortable night's sleep
- Auto Changeover provides constant temperature regulation
- Backed by the comprehensive nationwide support of Samsung Air

SAMSUNG

Max

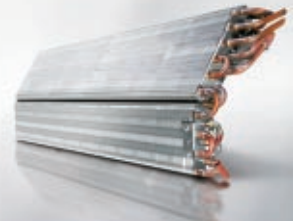

Silver Nano-pure air for perfect climate control

A brilliant new addition to the range of Samsung room airconditioners, the sleek new Max unit ensures economical heating and cooling along with a host of advanced features.

Samsung Silver Technology

Not only does the filter and evaporator of the new Max remove microscopic dust particles, but due to its Silver Nano-coating it also eliminates airborne fungi and unpleasant odours.

Good Sleep II

With automatic adjustment of temperature and humidity during the night, Samsung's Good Sleep II ensures a comfortable environment and a refreshing night's sleep.

Smart Saver

Samsung Smart Saver technology operates the airconditioner automatically in the least amount of time necessary to cool the room, thus saving electricity.
